## Winnipeg Unit of the Shriners' Hospitals

As many do not know of this Institution situated in our own City, let us tell you something about it.

You will find the Shrine Hospital at Main and Aberdeen Streets and it is one of the fifteen hospitals operated in North America by the Shriners, the sponsors of this Circus.

With the thought of bringing hospital treatment to crippled children, unfortunate to have infantile paralysis, club feet, spine trouble, and other defects within the treatment of orthopaedic surgery, and whose parents are financially unable to pay for treatment, **THIS HOSPITAL IS FREE.**

There are no restrictions as to race, religion, or color.

Only the child must not have passed his or her fourteenth birthday, and must be of normal mentality. There are no fees, and no red tape.

An application blank can be secured from any Shriner, or Member of the Shrine Ladies' Auxiliary, or from the Hospital.

We have operated in Winnipeg for twenty years, and have assisted many boys and girls from a life of helplessness to the joyous sunshine of normal play-about children.

If you want to know more of this Institution, and of this Great Philanthropy, ask for one of our yearly pamphlets, which will be mailed to you upon request.

You are invited to visit us on visiting days, to see for yourself this miracle of mercy.

Thank you for your interest and co-operation in attending our Circus. We trust you have enjoyed it.

## Consult Us About Your Post-War Housing Plans

It is almost a certainty that many people will be able to have a home of their own after the war — people who have never enjoyed the peace and security that comes with owning their own home.

There is a promise that smaller cash payments will buy the home of the future — that easy terms with low interest will bring new encouragement to those on lower incomes.

It is worth planning now, saving now and preparing now for the day you can enjoy all the advantages of home ownership.
